## Mr. Waseem Ali

M.F.International, company est. date.1992, is prominently known in the market as one of the market leading manufacturers, suppliers, exporters and traders of a diverse range of Designer Handicraft Items. We are specialized in Tea Pot and Coffee Pot making. The offered items are manufactured skillfully by some of our trained professionals, using the best quality raw materials that are available. Our impeccable range of products is inclusive of Tea Pot, Coffee Pot, Tea Set, Candle Holders, Brass Tray and Photo Frame etc.

We further have a team of highly skilled and trained employees, who work hard in order to help the firm in achieving its objectives. In order to deliver the best to our clients, we send the final products to our team of quality experts, who eliminate any manufacturing defects. In addition, these products are delivered to the clients on time and are properly packaged for ensuring damage-free delivery. The offered products are widely used for the purpose of decorating homes, shops or offices.
